*MANY MANY BENEFITS OF LAUGHTER AND YOU CAN MAKE BEST USE OF IT:*

***“Even if there is nothing to laugh about, laugh on credit.”***

### **1. Manage your hormones.**

Laughter reduces the level of stress hormones. It also increases the level of health-enhancing hormones. Laughter increases the number of antibody-producing cells and enhances the efficiency. All this means a stronger immune system, as well as fewer physical effects of stress.

### **2. Nice internal workout.**

A good belly laugh exercises will give lot of relaxation and even works out the shoulders, leaving muscles more relaxed afterward. It even provides a good workout for the heart.

### **3. Physical release.**

Have you ever felt like you had to laugh or you'd cry? Have you experienced the cleansed feeling after a good laugh? Laughter provides a physical and emotional release.

### **4. Positive frame of mind.**

Laughter brings the focus away from anger, guilt, stress and negative emotions to them alongside other “mere distractions.” It will make you cheerful and put you in a positive frame of mind.

### **5. Change your perspective.**

Humor can give us a more light-hearted perspective and help us view events as “challenges,” thereby making them less threatening and more positive.

### **6. Social benefits of laughter.**

Laughter is contagious, so if you bring more laughter into your life, you can most likely help others around you laugh more. By elevating the mood of those around you, you can diminish their stress levels, and possibly improve the quality of social interaction you experience with them, reducing your stress level even more! What's even better is that the more you smile, the more others will too.

**7. Fight illness better.**

People who are optimistic (who are out there laughing!) have stronger immune systems and are actually able to fight off illness better than pessimists. There is a link between optimistic attitudes and good health. And it has been measured in a variety of ways. Overall, scientists have found that optimistic people are healthier. Their biological makeup is different and they have a more robust immune system.

**8. Live longer.**

**It is proved beyond doubt that the people who are smiling and have positive attitude live longer and they are not prone to illness.**

**9. It feels like eating 2000 chocolate bars.**

A smile gives the same level of stimulation as eating 2000 chocolate bars. People have long been drawing attention to the fact that smiling increases happiness both in yourself and those around you.

**10. It costs absolutely nothing.**

It doesn't cost a cent and it is highly contagious.

The doctor says, ' George, everything looks great. How are you doing mentally and emotionally? Are you at peace with God? '

George replies, ' God and I are tight. He knows I have poor eyesight, so he's fixed it so when I get up in the middle of the night to go to the bathroom, poof! The light goes on. When I'm done, poof! The light goes off. '

' Wow, that's incredible, ' the doctor says.

A little later in the day, after thinking at length over George's extraordinary explanation, the doctor calls George's wife.

' Ethel, ' he says, ' George is doing fine! But I had to call you because I'm in awe of his relationship with God. Is it true that he gets up during the night and poof! Getting married is very much like going to a restaurant with friends.

You order what you want, then when you see what the other person has, you wish you had ordered that.

Man: Is there any way for long life? Dr: Get married.

Man: Will it help? Dr: No, but the thought of long life will never come.

Why do couples hold hands during their wedding?

It's a formality just like two boxers shaking hands before the fight begins

Wife: Darling today is our anniversary, what should we do?

Husband: Let us stand in silence for 2 minutes.

It's funny when people discuss Love Marriage vs Arranged.

It's like asking someone, if suicide is better or being murdered.

It is difficult to understand GOD. He makes such beautiful things as women and then he turns them into Wives !

A man, who surrenders when he's wrong, is Honest. A man who surrenders when not Sure, is Wise. A man who surrenders even if he's Right, is a Husband.

Before marriage, a man will lie awake all night thinking about something you say. After marriage, he'll fall asleep before you finish.

There's a way of transferring funds that is even faster than electronic banking. It's called marriage.

Why do Bride Groom exchange varmaala during wedding?

To tell each other affectionately. .. Sweetheart you are Dead!

Different Phases of a man:

After engagement: Superman After Marriage: Gentleman

After 10 years: Watchman After 20 years: Doberman

## COURT CASE AGAINST LORD KRISHNA.

A nun in Warsaw, Poland, filed a case against ISKCON (International Society for Consciousness). The case came up in court. The nun remarked that ISKCON was spreading its activities and gaining followers in Poland. She wanted ISKCON banned because its followers were glorifying a character called Krishna "who had loose morals," having married 16,000 women called Gopikas.

The ISKCON defendant to the Judge: "Please ask the nun to repeat the oath she took when she was ordained as a nun."

The Judge asked the nun to recite the oath loudly. She would not.

The ISKCON man asked whether he could read out the oath for the nun. Go ahead, said the judge.

The oath said in effect that 'she (the nun) is married to Jesus Christ'.

The ISKCON man said, "Your Lordship! Lord Krishna is alleged to have 'married' 16,000 women. There are more than a million nuns who assert that they are married to Jesus Christ.

Between the two, Krishna and Jesus, who has a loose character?"

The case was dismissed...

**What is the Difference between Wife & Girlfriend  
Great Thought in Modified Version-**

**Wife is like a TV & Girlfriend is like a MOBILE.**

**At home you watch TV, but when you go out you take your  
MOBILE.**

**Sometimes you enjoy TV, but most of the time you play with your  
MOBILE.**

**TV is free for life, but for the MOBILE, if you don't pay, the

**TV is big, bulky & most of the time old.!**

**But the MOBILE is cute, slim, curvy & very portable.**

**Operational costs for TV is often acceptable, but for the MOBILE  
it is often high & demanding.**

**TV has a remote, MOBILE doesn't.**

## ELECTRONIC GADJETS COMING HOME:

When TV came to my house. I forgot how to read books.  When the

 When I stayed in the city, I forgot the smell of mud.

 By dealing with banks, I forgot the value of money.  With the  
smell of perfume, I forgot the fragrance of fresh flowers.

 With the coming of fast food, I forgot to cook idli and rice.   
Always running around, I forgot how to stop.

  And lastly when I got Facebook. I FORGOT HOW TO TALK.

## COMPUTER – MALE OR FEMALE!

A language teacher was explaining to her class that in French, nouns unlike their English counterparts, are grammatically designated as masculine or feminine. "**House**" in French, is feminine - "la maison", while "pencil" in French is masculine - "le crayon." One puzzled student asked, "What gender is a computer?" The teacher thought it would be a good exercise to have the students decide what they thought the gender should be. So she split the class into two groups appropriately enough, by gender and asked them to decide whether "computer" should be a masculine or a feminine noun. Both groups were required to give four reasons for their recommendation.

**The men's group decided that computer should definitely be of the feminine gender ("la computer"), because:**

1. No one but their creator understands their internal logic.
2. The native language they use to communicate with other computers is incomprehensible to everyone else.
3. Even the smallest mistakes are stored in long term memory for possible later review.
4. As soon as you make a commitment to one, you constantly find yourself spending more money on accessories for it.

**The women's group, however, concluded that computers should be masculine "le computer") because:**

1. In order to do anything with them, you have to turn them on.
2. They have a lot of data but still can't think for themselves.
3. They are supposed to help you solve problems, but half the time they ARE the problem.
4. As soon as you commit to one, you realize that if you had waited a little longer you could have gotten a better model!

## WHOM WILL HE MARRY?

There was a man who had three girlfriends, but he didn't know which one to marry. To figure out the right answer, he gave \$5000 to each of them, sat back and watched how they spent it. The first one went out and got a complete makeover – shoes, clothes, makeup, and new hair – the works. When she saw him, she said: I spent the money so I could look pretty for you, because I love you so much,”

The second one went out and bought new golf clubs, a CD player, a television and a stereo, and gave them to the man. She said: “ I bought these gifts for you with the money, because I love you so much,”

The third one went out and bought.....

The man thought long and hard about how each of the women spent the money, and at last reached a decision. What do you think he chose?

IF YOU WERE THE MAN, WHOM DO YOU HAVE CHOSEN?

## **THINK TWICE BEFORE SPEAKING TO YOUR WIFE:**

“Last night my wife and I were sitting in the living room, talking about life.

In-between, we talked about the idea of living or dying.

I said to her: 'Dear, never let me live in a vegetative state, totally dependent on machines and liquids from a bottle. If you see me in that state I want you to disconnect all the contraptions that are keeping me alive, I'd much rather die'.

Then my wife got up from the sofa with this real look of admiration towards me...and proceeded to disconnect the TV, the Cable, the Dish, the DVD, the Computer, the Cell Phone, the iPod, and the Xbox, and then went to the fridge and threw away all my beer! Think twice before speaking to your wife..”

Me: "No no. If you don't want to get up, then it's OK."...

She: "So now you think I am lazy, ha?"

Me: "Nooo. You are misunderstanding me. I didn't mean...."

She: "Aha ! So I don't understand you, right?"

Me: "Now look I didn't say that."

She: "You always go alone everywhere and enjoy."

Me: "Plzyaar. I am feeling giddy now "

She: "See? You are so selfish. Always think of yourself only. Never think of my health."

## **OLD COUPLE SHARING THE FOOD:**

The old man placed an order for one hamburger, French fries and a drink. He unwrapped the plain hamburger and carefully cut it in half, placing one half in front of his wife. He then carefully counted out the French fries, dividing them into two piles and neatly placed one pile in front of his wife.

He took a sip of the drink, his wife took a sip and then set the cup down between them . As he began to eat his few bites of hamburger, the people around them were looking over and whispering; thinking, 'That poor old couple - all they can afford is one meal for the two of them.'

As the man began to eat his fries a young man came to the table and politely offered to buy another meal for the old couple. The old man said, they were just fine - they were used to sharing everything. People closer to the table noticed the little old lady hadn't eaten a bite. She sat there watching her husband eat and occasionally taking turns sipping the drink.

Again, the young man came over and begged them to let him buy another meal for them. This time the old woman said 'No, thank you, it's fine we are used to sharing everything. 'Finally, as the old man finished and was wiping his face neatly with the napkin, the young man again came over to the little old lady who had yet to eat a single bite of food and asked 'What is it you are waiting for?'

She answered:(Continue below - This is great)

**'TO BORROW THE TEETH.'**

## **DO YOU LOVE YOUR HUSBAND ????.**

There was a group of women gathered at a seminar on how to live in a loving relationship with your husband. The women were asked, 'How many of you love your husbands?' All the women raised their hands.

Then they were asked, 'When was the last time you told your husband you loved him?' Some women answered today, some yesterday, some didn't remember..

The women were then told to take their cell phones and send the following text to their respective husband: I love you, sweetheart. Then the women were told to exchange phones and read the responding text messages.

Here are some of the replies:

1. Eh, mother of my children, are you sick?
2. What now? Did you crash the car again?
3. I don't understand what you mean?
4. What did you do now? I won't forgive you this time!!!
5. ?!?
6. Don't beat about the bush, just tell me how much you need?
7. Am I dreaming? ????????
8. If you don't tell me who this message is actually for, you will die today...!!!
9. I asked you not to drink anymore!!  
and the best one
10. Who is this?

**HEARING PROBLEM:**

**An elderly gentleman.....**

**Had serious hearing problems for a number of years.. He went to the doctor and the doctor was able to have him fitted for a set of hearing aids that allowed the gentleman to hear 100%**

**The elderly gentleman went back in a month to the doctor and the doctor said, 'Your hearing is perfect..... Your family must be really pleased that you can hear again..'**

**The gentleman replied, 'Oh, I haven't told my family yet.**

**I just sit around and listen to the conversations. I've changed my will three times!'**

**Two elderly gentlemen from a retirement center were sitting on a bench under a tree when one turns to the other and says: 'Slim, I'm 83 years old now and I'm just full of aches and pains. I know you're about my age. How do you feel?'**

**Slim says, 'I feel just like a newborn baby.'**

**'Really!? Like a newborn baby!?'**

**'Yep. No hair, no teeth, and I think I just wet my pants.'**

**An elderly couple had dinner at another couple's house, and after eating, the wives left the table and went into the kitchen. The two gentlemen were talking, and one said, 'Last night we went out to a new restaurant and it was really great.. I would recommend it very highly.'**

**The other man said, 'What is the name of the restaurant?'**

**The first man thought and thought and finally said, 'What is the name of that flower you give to someone you love?'**

**You know.... The one that's red and has thorns.'**

**'Do you mean a rose?'**

**'Yes, that's the one,' replied the man. He then turned towards the kitchen and yelled, 'Rose, what's the name of that restaurant we went to last night?'**

Hospital regulations require a wheel chair for patients being discharged. However, while working as a student nurse, I found one elderly gentleman already dressed and sitting on the bed with a suitcase at his feet, who insisted he didn't need my help to leave the hospital.

After a chat about rules being rules, he reluctantly let me wheel him to the elevator.

On the way down I asked him if his wife was meeting him. 'I don't know,' he said. 'She's still upstairs in the bathroom changing out of her hospital gown.'

Couple in their nineties are both having problems remembering things. During a checkup, the doctor tells them that they're physically okay, but they might want to start writing things down to help them remember ..

Later that night, while watching TV, the old man gets up from his chair. 'Want anything while I'm in the kitchen?' he asks.

'Will you get me a bowl of ice cream?'

'Sure..'

'Don't you think you should write it down so you can remember it?' she asks.

'No, I can remember it.'

'Well, I'd like some strawberries on top, too. Maybe you should write it down, so not to forget it?'

He says, 'I can remember that. You want a bowl of ice cream with strawberries.'

'I'd also like whipped cream. I'm certain you'll forget that, write it down?' she asks.

Irritated, he says, 'I don't need to write it down, I can remember it! Ice cream with strawberries and whipped cream - I got it, for goodness sake!'

Then he toddles into the kitchen. After about 20 minutes, The old man returns from the kitchen and hands his wife a plate of bacon and eggs.. She stares at the plate for a moment.

'Where's my toast?'

**'Is she a good cook?"No, she can't cook too well.'**

**'Does she have lots of money?"Nope! Poor as a church mouse.'**

**'Well, then, is she good in bed?"I don't know.'**

**'Why in the world do you want to marry her then?'**

**'Because she can still drive!'**

**Three old guys are out walking.**

**First one says, 'Windy, isn't it?'**

**Second one says, 'No, it's Thursday!'**

**Third one says, 'So am I. Let's go get a beer..'**

**Morris, an 82 year-old man, went to the doctor to get a physical.**

**A few days later, the doctor saw Morris walking down the street with a gorgeous young woman on his arm.**

**A couple of days later, the doctor spoke to Morris and said, 'You're really doing great, aren't you?'**

**Morris replied, 'Just doing what you said, Doc: 'Get a hot mamma and be cheerful.'"**

**The doctor said, 'I didn't say that.. I said, 'You've got a heart murmur; be careful.'**

**One more. . .!**

**A little old man shuffled slowly into an ice cream parlor and pulled himself slowly, painfully, up onto a stool.. After catching his breath, he ordered a banana split.**

**The waitress asked kindly, 'Crushed nuts?'**

**'No,' he replied, 'Arthritis.'**

It would appear that Infosys operates more buses than BMTC in Bangalore."**

A Chinese man married an African and had a child. Two months later the child passed away.

At the funeral house, the African woman kept sobbing and saying: "I KNEW IT !!!I KNEW IT !!!"

A family member pulled her aside and asked:

"What did you know?" She replied: "That, Chinese products don't last long!!"

## A STORY OF A SOFT WEAR ENGINEER, LISTEN FROM HORSES MOUTH.

"I had spent an hour in the bank with Uncle, as he had to transfer some money. In a small SBI branch in a sleepy area of a small town. I couldn't resist the urge. "Uncle, why don't we activate your internet banking?" "Why would I do that?" He asked "Well, then you wont have to spend an hour here for things like transfer. You can even do your shopping online. Everything will be so easy!" I was so excited about initiating him into the world of Net banking. He asked "If I do that, I wont have to step out of the house? I wont have to come to the bank?" "Yes, yes"! I said. I told him how even grocery can be delivered at door now and how on line services delivers everything! His answer left me tongue-tied. Our parents, have somewhere found the perfect balance. They enjoy seeing the photos we send them on Whats App but they have not broken their human ties. They have adopted technology on our insistence but not forgotten where it all began. He said "Since I entered this bank today, I have met four of my friends, I have chatted a while with the staff who know me very well by now. My kids are out of town and visit me now and then but this is the company that I need. I like to get ready and come to the bank. I have enough time, it is the physical touch that I crave. Two years back I got sick, very sick. The butcher from whom I buy meat, came to see me and sat by my bedside and cried. The man who comes every month to collect my bills and goes and physically pays them for a nominal charge from me, has only that mean of earning and the only thing that keeps him busy in his retired life. My wife fell down few days back while on her morning walk. My local grocer saw her and immediately got his car to rush her home as he knows where I live. Would I have that 'human' touch if everything became online?

Why would I want everything delivered to me and force me to interact with just my computer? I like to know the person that I'm

dealing with and not just the 'seller' . It creates bonds. Relationships. Does online services deliver all this as well?" □ “

## **HUSBAND & WIFE - LIVE OR DIE**

“Last night my wife and I were sitting in the living room, talking about life. In-between, we talked about the idea of living or dying. I said to her: 'Dear, never let me live in a vegetative state, totally dependent on machines and liquids from a bottle.

If you see me in that state I want you to disconnect all the contraptions that are keeping me alive, I'd much rather die'.

Then my wife got up from the sofa with this real look of admiration towards me...and proceeded to disconnect the TV, the Cable, the Dish, the DVD, the Computer, the Cell Phone, the iPod, and the Xbox, and then went to the fridge and threw away all my beer! Think twice before speaking to your wife..”

**What is confidence???**

***A hypothetical situation where 20 CEOs board an airplane and are told that the flight that they are about to take is the first-ever to feature pilotless technology: "It is an uncrewed aircraft."***

***Each one of the CEOs is then told, privately, that their company's software is running the aircraft's automatic pilot system.***

***Nineteen of the CEOs promptly leave the aircraft, each offering a different type of excuse.***

***One CEO alone remains on board the jet, seeming very calm indeed.***

***Asked why he is so confident in this first uncrewed flight, he replies: "If it is the same software that is developed by my company's IT systems department, this plane won't even take off!!!!."***

## **WOMAN INVENTIONS:**

The woman who invented the phrase ...

"All men are the same" was a Chinese woman who lost her husband in a crowd.

There are 3 kinds of men in this world.

Some remain single and make wonders happen.

Some have girlfriends and see wonders happen.

Rest get married and wonder what happened....

> Wife's are magicians.....

> They can change anything into an argument. Women live a Better, Longer & Peaceful Life, as compared to men.

WHY? A very INTELLIGENT man replied:

Women don't have a wife!

An 80-year old man goes for a physical. All of his tests come back with normal results.

The doctor says, ' George, everything looks great. How are you doing mentally and emotionally? Are you at peace with God? '

George replies, ' God and I are tight. He knows I have poor eyesight, so he's fixed it so when I get up in the middle of the night to go to the bathroom, poof! The light goes on. When I'm done, poof! The light goes off. '

' Wow, that's incredible, ' the doctor says.

A little later in the day, after thinking at length over George's extraordinary explanation, the doctor calls George's wife.

' Ethel, ' he says, ' George is doing fine! But I had to call you because I'm in awe of his relationship with God. Is it true that he gets up during the night and poof! The light

goes on in the bathroom, and when he's done, poof! The light goes off? ' Oh my God! ' Ethel exclaims. ' He's pissing in the fridge again.

## CAT & WIFE”

There was a man who couldn't stand his wife's cat. So, one day, he decided to get rid of him by dumping him a long way away from the house.

He put the cat in the car and drove about 20 blocks away, then he left him at the park. But when he got home, the cat was there as if nothing had happened.

The next day he decided to take the cat somewhere further away, about 50 blocks. He put him out of the car and drove home. And again, the cat was there waiting for him. 'This is impossible,' said the man to himself. 'tomorrow I'll make sure he can't come back!'

The next day he puts the cat in the car and he drives around, taking turn after turn - right, left, right, right and so on. Eventually, after about an hour of driving, he finally lets the cat out and drives home.

A few hours later, the phone rings at his house and his wife answers it. It's the husband, and he asks: "Is the cat there?" "Why, yes." says the wife, "he's been here quite a while, where are you?"

**"Put that bastard on the phone, I'm lost and I need directions."**

## PLAYING CARDS

Did you know that the Traditional Deck of the Playing Cards are a veritable and most ingenious form of a Calendar?

There are 52 weeks in the year and so there are 52 Playing Cards in a Deck.

There are 13 weeks in each Season and thus there are 13 cards in each suit.

There are 4 Seasons in a Year and 4 Suits in the Deck.

There are 12 Months in a Year so there are 12 Court Cards (Those with faces namely Jacks, Queens and Kings)

The Red Cards represents the Day, while the Black Cards represents the Night.

If you let the Jacks = 11, the Queens = 12, and the Kings = 13, then add up all the sums of  $1 + 2 + 3 + \dots + 13 = 91$ . Multiply this by 4, for the 4 Suits, therefore  $91 \times 4 = 364$ , Add 1 that is the Joker and you will arrive at the number 365 being the Days in a Year?

Is that a mere coincidence or a greater intelligence ?

Of interest is the sum of the letters in all the names of the cards; eg : add up the letters in "one, two, three, four, five, six, seven, eight, nine, ten, Jack, Queen, King" = 52 !

The Spades indicate ploughing/ working.

The Hearts indicates Love thy crops.

The Clubs indicates flourishing and growth.

The Diamonds indicate reaping the Wealth.

Also, in some card games 2 Jokers are used. Indicating the Leap year.

There is a deeper Philosophy than just a merely a Game of Playing Cards.
